

A SOVEREIGN NATION

Updated May 2020

Listen therefore, O kings, and understand;
learn, O judges of the ends of the earth.

Give ear, you that rule over multitudes,
and boast of many nations.

For your dominion was given you from the Lord,
and your sovereignty from the Most High,
who will search out your works and inquire into your plans.

A multitude of wise men is the salvation of the world,
and a sensible king is the stability of his people.

Wisdom of Solomon 6: 1-3, 24

(Ignatius Press - Holy Bible - Revised Standard Version - Second Catholic Edition.)

“.....The general principles on which the fathers achieved independence, were the only principles in which that beautiful assembly of young men could unite, and these principles only could be intended by them in their address, or by me in my answer. And what were these general principles? I answer, the general principles of Christianity, in which all those sects were united, and the general principles of English and American liberty, in which all those young men united, and which had united all parties in America, in majorities sufficient to assert and maintain her independence. Now I will avow, that I then believed and now believe that those general principles of Christianity are as eternal and immutable as the existence and attributes of God; and that those principles of liberty are as unalterable as human nature and our terrestrial, mundane system. I could, therefore, safely say, consistently with all my then and present information, that I believed they would never make discoveries in contradiction to these general principles.

**HOLY LOVE MESSAGES ON NATIONAL SECURITY,
BORDERS AND IMMIGRATION**

MOST RECENT MESSAGE

September 23, 2001

"I am your Jesus, born Incarnate. Just as the security of the infant in the womb has been stripped away by the sin of abortion, so too, the security of your nation is ebbing away due to the convoluted consciences of those inspired by Satan."

"Your nation's security is in the Heart of My Mother which is Holy Love. Holy Love - the Two Commandments of Love - oppose sin and evil in every form."

"The race is on now. I invite and I plead with your nation to turn to the Heart of My Mother which weeps for you. Turn to Holy Love."

"Yes, the race is on. Will it be Holy Love or the annihilation of life as you know it?"

September 26, 2001

"My little sister, I am your Jesus, born Incarnate. You have been asking in the depths of your heart how to convert a soul. Since I have come to you to share with you the depths of My Sacred Heart and every Chamber herein, I will give you the answer. You cannot convert a soul."

"Conversion is between God and the soul himself. But through the grace of this Message of Holy Love, you can offer conversion. Holy Love is a conversion Message. The soul must, through a movement of his free will, humbly cooperate with the grace offered in this Message. I say humbly, for without humility combined with Holy Love, the soul is unable to see and remove from his heart all that is not in accord with the Two Great Commandments of Love."

"And so it is with your nation, as well. Repentance is a great part of conversion. Your nation must look at what it is doing and has done that displeases God. This is the first step towards conversion. The second is to overcome these errors. So I come today to ask for your prayers towards your nation's repentance and conversion. For herein lies national security."

"Make this known."

Monthly Message to All Nations

Jesus and Blessed Mother are here with Their Hearts exposed. Blessed Mother says: "Praise be to Jesus." (Jesus and Blessed Mother were surrounded by the Rosary of the Unborn. There were large angels stationed at each of the 'Our Father' beads.)

Jesus: "I am your Jesus, born Incarnate. I have come to ask you to stop killing the life I lovingly place in the womb. Each life that is snuffed out changes the world forever."

"In truth I tell you that your nation's stance on legalized abortion is the determining factor in your national security. For years Heaven has stood by and watched as the security of the baby in the

womb was violated and life taken. Solemnly I tell you, recognize abortion as a face of evil and an enemy to world security. You will not have genuine peace until abortion is overturned. Do not see My words to you today as a threat, but as a grace.".....

Saturday MSHL Rosary Service

Jesus is here with His Heart exposed. He says: "I am your Jesus, born Incarnate."

"My brothers and sisters, do not breach your national security by turning on God's Holy and Divine Will. I have come to place this fully in your heart and in the heart of your nation. Stop destroying the life that I form in the womb!

November 5, 2004
Monthly Message to All People and Every Nation

Jesus, Blessed Mother and St. Michael are here. Blessed Mother and St. Michael say: "Praise be to Jesus."

Jesus: "I am your Jesus, born Incarnate. I congratulate your nation on its recent election. Your country will be spared further moral degeneration for another four years. We must work diligently now to oppose the convolution that is in so many hearts. Moral issues should never become political issues. A couple of decades ago it would have been laughable just to think of voting on the issue of same sex marriage. How obtuse consciences have become!"

"Today, My brothers and sisters, I am dispatching St. Michael and his warrior angels to protect the borders, the ports and every mode of transportation of this country from the evil that threatens them. What I cannot protect is the choice of free will that man makes within his own heart. Therefore, we must pray against Satan's tool of hatred, and we must make this Message of Holy and Divine Love known with courage and conviction."

December 12, 2005
Midnight Service at the United Hearts Shrine

Blessed Mother is here as Our Lady of Guadalupe. She says: "Praise be to Jesus.".....

"Dear children, tonight I have come to warn you that if you continue on the path of removing God from all public places, your country will see breaches in national security and an increase in natural disasters. God will allow these things, for you have not united in an effort for Him to be honored and recognized as He has been in the past. Dear children, you must be united and avoid apathy. I tell you these things, for these are perilous times."

September 5, 2006
Monthly Message to All People and Every Nation

.....Jesus: "With the stealth of a cat burglar, the last semblance of morality has been stolen from your country as the over-the-counter sale of the morning-after pill was authorized."

"Moral degeneration exacts its toll. The Hand of Justice grows weary. Understanding the distress of My Sacred Heart over the moral degeneration of your country, imagine My grief as I see into the heart

of all nations the same situation. Therefore, you, My Remnant, must understand how important My Remnant Faithful are to Me. It is within these small and scattered pockets of faith that confusion and compromise are overcome, and the Tradition of Faith is not allowed to be challenged."

"I send My Mother here to this site to support you with Her miracles and healings. Still, Satan challenges this Refuge, but he will not succeed. I know My lambs, and My lambs know Me. When power, reputation and money fail them, the lost lambs will search Me out here at this site, and I will welcome them. Therefore, believe that I, your Lord, will sustain you in the midst of every battle. No attack will you succumb to. This is My promise. So while the battles may intensify, My grace is enough for you."

"The more you are attacked and under siege, the greater the graces here. Then, understand, that Satan cannot weaken you. All of his strategies are undone by Heaven's power. I am sending even more angels to the site as the next midnight visit approaches. Their presence will be a comfort to many. They will be seen and felt."

"My brothers and sisters, Satan is attacking the borders of this Mission. These are the hearts that have not decided yet for or against Holy Love. These are the hearts most vulnerable to his attacks of misinformation and lies."

"When an army advances in the world, the people within the country under attack unite and use their most powerful weapons to ward off the enemy and secure the border. In this battle which Satan is waging against Holy and Divine Love, those of you who are already living the spirituality I call you to in this Mission must unite and defend the truth with the powerful weapons of the Rosary, Masses and Communions. The more hearts that are won over to Holy Love, the stronger My Victory."

"Today I invite you to see that the path I call you upon is TRUTH, LOVE and MERCY. My Heart is all TRUTH, all LOVE and all MERCY. With docility, imitate Me."

Heaven Speaks to the Heart of the World (specifically-the path the world is taking)

"I am your Jesus, born Incarnate." "This nation [USA] succeeded in its inception, for God was the center of its inception; this is not so today. I am calling you to return to love of God and neighbor so that I can step in and assist you. Evil plots against your nation are springing up like flowers in springtime. Your nation is no longer united in an effort to remain secure."

"You must pray that your country's leaders take a more active stand against threats aimed at national security. Befriending the enemy is not a choice if the enemy does not desire friendship. In such a case where religion dictates animosity, it is most prudent to pray for your enemies rather than naively seek friendship while evil slips in the back door."

July 2, 2011

Midnight Service at the United Hearts Field

Weekend of the United Hearts - July 1 - 2 - 3

Our Lady is here....."Dear children, a good mother always tries to foresee and forewarn her children about imminent danger. So it is, that I, your Heavenly Mother, have come to caution each of you concerning the dangers at hand."

"In the world today, there is an evil undercurrent seeking to destroy nations by attacking national pride and independence, and offering a 'New World Order' as the solution; but this is not the 'unity' God is calling you to. Dissolving national borders is not God's plan for unity. God is calling you to disintegrate the boundaries in your hearts which oppose Holy Love. You must be united spiritually first in Holy Love before you can have true unitive peace in the world."

"My dear children, Satan, these days, shows his hand in destroying once worthy and reliable institutions in an all-out effort to bring people into this proposed one world government. I speak specifically of the institution of marriage, religious institutions, financial institutions and governments. There was an age past when the enemy of your salvation lured people secretly into his traps; now he is bringing his dirty work to light. Now it is difficult in righteousness to know who to trust. All of this is Satan's plan to destroy your security. He wants you to turn to one leader - his leader. But remember, if all power and authority is given to one leader, all control is given to that person, as well."

"This is why this Mission has been established here amidst much confusion - even opposition. We will persevere - admonishing error no matter the source. We must be the light of truth for the frightened and the confused. We must be the consolation of truth for all people - all nations.".....

March 2, 2012

"I am your Jesus, born Incarnate." "These days your security in God-given rights - even in worldly situations and commodities - is being challenged. From your weakened economic systems to your right to worship as you please, your secure rights are under speculation."

"This is why it is so necessary to place your trust in God's Mercy. It is Divine Mercy and Divine Love alone that are your safe Refuge. Your borders are not secure geographically nor spiritually; but have become very vulnerable. But no one can challenge the Holy Love you hold in your heart unless you allow them to do so."

"Stand firm, then, in faith, hope and love, trusting in My Mercy which will deliver you from the hands of the enemy."

September 18, 2012

...Our Lady is here as Refuge of Holy Love, but She has droplets of blood falling from Her Heart. She says: "Today, I have come to tell you that the disordered use of free will - that is, free will which does not align itself with Holy Love - is in danger of destroying the world as you know it."

"Hearts are in error, which in any way pander after the favor of radicals. You will never win their favor, but their continued disdain. The free will of such radicals has been captured by Satan. They act on emotion - never calm reason. For weapons of mass destruction to fall into such hands breeds certain destruction."

"Dear children, look at the ones that, by their inaction, support this destruction. If you support this indecisiveness, you, too, support disaster. Your country needs a leader who is mature enough to put everything in the proper perspective. This must be a leader who works for a stronger nation - not one who strips it of its dignity, natural resources and obliterates borders by further indecisiveness."

"God is not calling you to a One World Order which would be based on fear. He is calling you to a world with one heart - a heart of Holy Love. All other agendas - one government, one financial

system, one religion - are not of God but of Satan. Dear children, comprehend this and do not allow your hearts to be persuaded otherwise."

October 21, 2012

"I am your Jesus, born Incarnate."..... "In this election, if you do not choose wisely, you stand to lose your national sovereignty, religious freedom, economic prosperity and national security through a strong defense."

"Once again, I point out to you the importance of living in Truth. It is important for every soul to choose Truth, but most especially important for government leaders."

"Do not elect a candidate for his outward appearances, charm or promises. Choose according to the barometer of Truth which is the measure of inner character."

October 27, 2012

"I am your Jesus, born Incarnate."

"Satan desires the destruction of your security and, therefore, your nation. He wants to undermine your God-given freedoms, your economic system and your faith in a secure future. If he succeeds, you will lose your national sovereignty and be forced into a One World Order."

"The path around Satan's plans is Holy Love - the path of Truth. This is the Light Satan shrinks from. Pursue it."

January 1, 2013

Feast of Mary, The Holy Mother of God

Blessed Mother says:..."In the world, peace will continue to be elusive due to the condition of the heart of the world which has not resolved to be consecrated to Our United Hearts. Key issues will be borders, scales of weaponry, economics and religious beliefs. Natural disasters, unfortunately, will mirror mankind's reluctance to conform to the Will of God. Deceit in hearts will be revealed, but too late."

"The righteous will suffer witnessing the unraveling of good. Many who condone evil in world politics will be convicted of their error; but once again - too late."

"As I tell you these things, believe that I am with you as you are with Me. My Immaculate Heart is never elusive, but always a ready Refuge. You must pray, My children, so that together we can defeat Satan and lay bare the Light of Truth. In the end, My Immaculate Heart will be victorious, and you will triumph with Me."

September 11, 2013

St. Michael the Archangel says:"Please transcribe the following prayer for the protection of your country and all its citizens:"

Petition for God's Protection over the United States and its Citizens

"Heavenly Father, please take dominion over this nation once again. Place your Hand of Protection over all its citizens wherever they may be. Protect this country's borders, its natural resources and all freedoms. Reconcile the soul of this nation with your Divine Will. Inspire each citizen to pursue peace."

"Father, please preserve this nation in all Truth, and free it from any abuse of authority. Amen."

December 9, 2013

"I am your Jesus, born Incarnate." "Believe in the Immaculate Conception and uphold this Truth in your hearts. It is doctrine which is irrefutable. Today, so many Truths are compromised by liberalism that the Truth of Tradition has been watered down and become unrecognizable."

"The Immaculate Conception finds, in Her efforts to safeguard this country, that the greatest threat to the security of your nation is your ill-advised complacency. Do not ever think that Satan's influence is not part of your government."

September 11, 2015

Friday Service - For all those falsely accused within society, governments and within Church circles; that all calumnies are exposed by Truth and for World Peace

Jesus is here....."Solemnly I tell you tonight My brothers and sisters, you must pray for your national security. If your country had not embraced abortion it would have had competent leadership and this mass exodus from Syria would have been avoided. As it is, pray, pray, pray."

September 12, 2015

St. Michael comes holding his Shield of Truth. He says: "Praise be to Jesus."

"During these times it is important to note that discernment is the discovery of the Truth. This can be acquired through a sincere search for the Truth or the Truth can instantly be poured into the heart through the power of the Holy Spirit. More and more depends upon true discernment of spirit as the borders of countries dissolve and values are intermingled. It is only through discernment what lies hidden in hearts will become obvious to those who can change the course of evil."

"Therefore, Jesus sends me today with this prayer of assistance in dealing with the circumstances of these times:

"St. Michael, place your Shield of Truth over the heart of this nation. By the power of God, design circumstances which will reveal the evil in every heart. Make our nation secure once again through sound leadership and justified enforcement of law. Amen."

"This is a prayer for national security through Truth."

September 24, 2015

Our Lady comes as Rosa Mystica. She says: "Vigilance is never wrong. Vigilance is the mother of discovery. Discovery of the Truth is discernment."

"Within this reality I invite you, once again, to realize that boundaries are quickly disappearing. I am speaking, of course, of the borders of countries. Nations are hardly sovereignties anymore. But I am also speaking of the boundaries between good and evil. Too often, good is portrayed as evil and evil accepted as good. As you see the millions fleeing Syria or trying to enter the United States from Mexico, think of the millions of souls who were not vigilant enough to perceive the difference between good and evil and consequently lost their souls. It is happening!"

"The millions fleeing poverty and terror carry within their own hearts boundaries of behavior which are not evident on an external basis. Therefore, humanitarian motives can easily lead to Satan's agenda. Once again, it is My Immaculate Heart which is your Refuge and your strength.

September 25, 2015

Mary, Refuge of Holy Love says: "Praise be to Jesus." "As boundaries and borders dissolve, those who desire salvation must cling to the maxim of Holy Love. This is God's Holy and Divine Will for each soul. While several paths may lead you to God's Will, the most direct and most easily traveled* is the path through the Chambers of Our United Hearts."

"There is much confusion in the world today due to the dissolution of boundaries between nations and between good and evil. Accept Holy Love as your boundary and confine your heart to the nation of Holy Love."

* A similar analogy to "True Devotion to Mary" by St. Louis de Montfort (see paragraph #152 - to Jesus through Mary - True Devotion - "is an easy, short, perfect and secure way of attaining union with Our Lord, in which union the perfection of a Christian consists.") The most direct and easily traveled path to union with God's Will begins in the First Chamber of the United Hearts - the Immaculate Heart of Mary and ends in the Sixth Chamber - Immersion in the Divine Will.

December 12, 2015

Feast of Our Lady of Guadalupe - 3 P.M. Service

Our Lady comes....."Dear children, you must set your priorities in order. While you are concerned with weather patterns, the moral climate in the world is deteriorating rapidly. You are worried about the borders of your country being secure. This deserves your attention. But you must secure the boundaries of your hearts in choosing good over evil. If you cannot do so, the Truth will escape your grasp and your hearts will be invaded by evil."

"If the moral climate is reversed, you will see many graces poured into the world - graces I long to pour into your hearts and your lives."

"In the world today, there are two opposing schools of thought - one liberal, the other conservative. These conflicting views reach right into families, church and world politics and education. The liberals accept whatever suits their agenda. The conservatives are guided by God's Will, even when it opposes what they want." "You will see these two opposing sides even more clearly defined in the future. My Remnant Faithful need to stand courageously for the Truth of good as opposed to evil."

December 17, 2015

"I am your Jesus, born Incarnate." "Your nation lacks peace and security because your president feels if he continues to make concessions to ISIS they will be satisfied and step back from any

aggression. Nothing could be farther from the Truth. Peace and security can only be achieved when the enemy respects his opponents enough not to challenge them."

"By showing weakness, your president jeopardizes national security. He is placing his trust in a false peace which over and over will be transgressed. There are many uncertainties in life, but even more so when weak leadership influences events."

"This is not the time for concessions but for holy boldness. Peace will elude the weak and will not be rewarded."

December 31, 2015
New Year's Message

Mary, Refuge of Holy Love says:..."It is the hour of assessment as to where the world in general is headed in the New Year. This will be a year of profound trials, as what is deep in hearts and spoken of in secret is acted out in the world. Your reigning president will be tested over and over as to just how weak a leader he is in matters of national security."

"God's Permitting Will is greatly tempted to allow even more significant natural disasters worldwide. Each nation's weakest attributes will become even weaker, for strength is in the Lord."

"The conscience of your nation and of the world will slowly be convicted of their lack of cooperation with God's Will, as they become less enchanted with politics and more united in truthful leadership. The Refuge of My Immaculate Heart will become more important to many."

.....

June 10, 2016

Our Lady comes....."During these times it has become very crucial to be able to identify good from evil. This is true not only in situations and events but in people, in general. Every day, terrorists slip across borders because it is not apparent what is in their hearts. Leaders must be evaluated according to their actions, not what they say or what office they hold."

"Begin to see that Holy Love is the standard bearer of good. Those that do not embrace these Commandments do not have good in their hearts or as their objective."

July 20, 2016

Our Lady comes "Today, I wish to describe to you the qualifications of a good presidential candidate - a candidate deserving of your support."

"Such a candidate is committed to supporting life from conception to natural death. He or she does not use the destruction of life in the womb as a means of garnering political favor."

"A good candidate is one who is transparent - holding no secret hidden agendas in the heart, such as weakening the United States so the nation is more open to the One World Order. Truthfulness bears the fruit of transparency. Therefore, one who depends upon lies to protect self is not a good candidate."

"A good candidate holds the safety and welfare of the citizenry first and foremost in the heart. Therefore, allowing open borders or thousands of refugees from terror-based nations to enter the

country would not be a consideration."

"A good candidate lives by and supports the Commandments of God, working always to fulfill God's Will through Holy Love."

"You should not try to redefine your Christian morals to fit any certain candidate. The candidate needs to fit his goals into the righteousness of Holy Love - defining Holy Love according to these terms I have given you."

July 23, 2016

Our Lady comes "Dear children, as this upcoming election is so important to the future of your country and the salvation of souls, I am requesting that every night at the rosary you add the intention of the election of good over evil."

"Please comprehend that this is no ordinary election, but one that will impact the morals and the security of your nation. Political ambition and lies must not mask this. Whom you elect will be given the privilege of selecting more Supreme Court Justices, who, in turn, will set the moral standards and the strength of your Constitution in place. Security policies must be a consideration in your choice. Do you value the borders of your nation or do you desire to recklessly allow anyone into your midst without regard for their intentions?"

"This is not the hour in the history of man to carelessly accept sin and everyone of questionable value in the name of false charity. In the Name of Love, understand how important it is to confront evil and to embrace Truth. False promises beget false security. It is most important therefore, to choose a candidate who lives in the Truth and is not enamored with self, ambition and power. Do not choose a politician, but a leader."

"I can only advise and warn you. I pray for your wisdom, as Election Day draws near."

August 11, 2016

Mary, Refuge of Holy Love says: "As I have stated before, there is a covertness afoot in this presidential election. There is an ongoing plan to weaken your nation morally, economically and militarily. Once so weakened, it would be easy prey for the One World Order, which is Satan's agenda."

"The United States needs to resume its role as leader and make an effort to secure its borders. There is no social justice in deliberately exposing the citizens of this country to more terrorism by recklessly inviting possible terrorists to come here. Your next president must lead with the safety and well-being of the citizens in this nation first and foremost in mind."

"This and all I have spoken of are easily possible if the standard of Holy Love forms the foundation of

your government. Holy Love is the embrace of the Ten Commandments. Return to this reality and your choices will be clear."

August 12, 2016

Mary, Refuge of Holy Love says:....."I hold hope in My Heart that this country will not fall prey to the spell of deceit Satan attempts to place over hearts. As a nation under God, you must not allow gender or the elite to temper your decisions."

"Your rosaries against abortion are helping to break the cycle of evil which is trying to settle upon this country. Do not allow Satan to discourage you in this regard."

"There are agendas in hearts which would put boundaries on your freedoms and erase your national boundaries. Too much power in the wrong hands would accomplish this."

"Pray for wisdom and courage. I desire you have these graces."

August 24, 2016

Blessed Mother comes as Our Lady of Grace. With Her foot on the serpent.

"I have come to describe to you Satan's plans and how he has charted his course to step into the position as Antichrist - ruling the world. He has certain high-seated instruments in the world. It is their job to destroy national identity and to erase national borders in the name of charitable unity. Your nation would never surrender to a One World Order or a One World Leader unless this was first accomplished. This is why the entire concept of 'nations without borders' is evil and plays into Satan's hands."

"You must maintain your national pride and identity. Remember, decades ago, Hitler used the same tactic of destroying national pride in his Satanic takeover of nations. Do not be tricked into believing this type of unity is of God. Be united in the Truth, not in a uni-government which serves Satan's agenda."

"The evil one will come in the name of peace, but he will destroy peace and security which comes from God alone. While evil promotes concern for the environment, he promotes the destruction of trust and dependency on God - Creator of the Universe. He tries to take on God's Identity by controlling the creation of life in the womb and encouraging science to try to create life in the laboratory."

"Guard the freedoms which God has given you - then ask My assistance in protecting the faith in your heart. Everything about the One World Order encourages dependency on man - not God."

"The Lord will maintain small pockets of Traditional Faith who will encourage Faith in the world through My Intercession. These are the ones who will encourage and generate hope in the midst of manipulated hopelessness. In these last days, let the Remnant Faithful be the sign to you of Christ's return."

Read Daniel 11:32-33+

+Scripture verses asked to be read by Our Lady of Grace.

August 26, 2016

Mary, Refuge of Holy Love says:....."There is a movement afoot in this election that presents a skewed view of the serious issues at hand. This cartel of power stands ready to step in and take power, if their candidate succeeds. Such actions would definitely lead away from democracy and freedom as you now know it. It would not be the candidate in charge, but this cartel of power whose hidden agendas would destroy your nation, moving it towards cooperation with the One World Order."

"All of this lies hidden beneath the surface of unaccountability. Do not be fooled to believe domestic terrorism is not an issue or that Radical Islam is not a threat. Do not believe in open borders or in being a 'safe haven' for hordes of refugees. Do not think a weakened military or a mounting economic crisis do not matter. Step away from complacency and pay attention to where you are being led."

"Hang onto your national identity. Do not be concerned with false issues - such as global warming - promoted to distract you and to unite the world under one ruler - the Antichrist."

"What is plotted in the hiddenness of hearts is the greatest threat today. This is why it is not safe to allow open borders or, in a sense of charity, allow thousands into your country. This is why I came to you today to reveal the existence of a cartel of power hidden behind one candidate."

"Take heed."

August 29, 2016

Our Lady comes"In My Role as Queen of Heaven and Earth, I oversee all of the world - its problems, dangers and victories. There are some situations which continue unchanging. Your country will never be able to withdraw troops completely from the Middle East and will be there until the bitter end. Terrorism will continue, as it goes uncorrected within hearts. Evil will promote countries without borders, all under the guise of social justice. The perpetuation of the crime of abortion will call upon greater justice from the Hand of God. His Mercy cries out for justice. You will experience grave natural disasters around the world. It is already beginning. Those who are spiritually-wise can connect the woes of the world with the woes of the unborn in the womb. Most cannot. The hatred that is hidden in hearts will take over current events around the world - the horror of which is yet untold."

"Mankind will be so weakened by his dependency on himself, that he will of necessity turn to God. A Victory of My Immaculate Heart will come as a universal awakening of man's state before God and his need of repentance. It is then man will know he can turn to Me - His Heavenly Mother - in his desire to come closer to My Son. Until then I lean upon you, My Remnant Faithful - to teach and to encourage those around you."

September 1, 2016

"I am your Jesus, born Incarnate." "As a nation, you must have more wisdom than to trust everyone who comes across your borders all in the name of charity. This type of social justice is just foolishness in these times when hearts hold so many evil agendas. You cannot ferret out who holds evil in his heart by appearances or even by asking questions. It is well-documented that Truth is not a priority in many hearts - especially evil hearts."

"Those with evil intentions have already infiltrated this country. Do not strengthen their ranks by inviting more in. A safe hospice can and should be established in the country of origin these people come from. I have said this before. This would answer the call to charity for the oppressed and for the

citizens of this country whose security is threatened by mass immigration."

"Do not allow your borders to continue to be breached under the influence of mainstream media. Those in leadership roles have the responsibility to respect the welfare of the citizens they are supposed to be leading. However, today the agenda is the weakening of this nation and the establishment of the One World Order. That is why individual rights and lives do not matter in the political scheme of things."

"Do not allow your rights to be tread under the foot of the power cartel already in play. Wake-up to the Truth! Set aside complacency!"

Mary, Refuge of Holy Love says: "Your nation must maintain its sovereignty. The position of world leader must not be surrendered to a New World Order. There is no such thing as leading from behind. This nation must be a powerful influence for positive moral standards, beginning with the protection of life in the womb, so that other nations can take heed and follow suit."

"Rarely has one nation been given the influence to redirect the path of world governments. This will all be lost, however, if you choose leaders who are controlled by the international power cartel. National identity must be the treasure you cling to - otherwise this nation, like so many others, will be swallowed up by this cartel and ushered into the New World Order."

"The money behind this power cartel has taken over many lives, governments and hearts of world leaders. It is being used to weaken good and to promote evil. You must look at policies and actions - not just listen to words or follow influential names. Be wise in your decisions. Be 'One Nation under God' as God intends you to be."

September 11, 2016

Mary, Refuge of Holy Love says:..... "These days, there should be mounting concern for the actions of radical, Islamic terrorism. This is an enemy that has declared war on all those whose beliefs differ from their own. This is not an enemy easily identified by a certain uniform or area of the world. Rather, this enemy remains hidden in hearts all over the world. What is more perplexing is the leaders of this country do not even seem willing to name the enemy, let alone carefully monitoring who is allowed into the country. Open borders are an open threat to the welfare of every citizen."

"You are commemorating 15 years since the tragic attack on the twin towers and the pentagon. Downplaying the threat that exists still today does not resolve the issue of further attacks. The wise will not be fooled by such politics. Leaders need to treat the citizens who elected them with respect, instead of leading with lies."

"Christians need to unite all over the world. As I told you before, evil has united with evil and become

stronger. It is time for good to unite with good and be strengthened towards identifying and defeating evil."

Mary, Refuge of Holy Love says:"Dear children, today I have come to speak to you about choices. Every choice you make has its consequences. It may lead you farther along the path of holiness or your choice may lead you away from God and His Commandments. Every choice has spiritual and temporal consequences. Every choice affects the present moment, and very often the future."

"Take for instance, the upcoming election in your country. At stake is your safety, your economic security and the very moral foundation of your country, as will be outlined by the Supreme Court whose members are set in place for you by the president. All of these issues are monumental, and therefore, your choice for president is monumental."

"I need you to turn the tide against evil by choosing wisely in every present moment. Do not feel overwhelmed by these times or the evil around you. If you are living in Holy Love, your angels will help you to see the Truth and to make good choices - choices that bear witness to the Truth."

Feast of the Archangels - St. Michael, St. Gabriel and St. Raphael

St. Michael comes with his sword and his shield. His shield has the United Hearts on it. He says: "Praise be to Jesus."

"I have come to remind your nation and the world that compromised borders result in compromised security. Also, all unity is not good and of God. If you unite under an evil leader, you will be led down the path of evil. Do not make the path clear for this to happen by blindly supporting a One World Order. I cannot change your foolish free-will choices. I can point the way beyond and around such choices through circumstances. It remains up to you to pay attention."

September 30, 2016

St. Thomas Aquinas says:"In this upcoming presidential election, people need to make their choices based upon issues - not character assassination. The seating of Supreme Court Justices should be the first consideration. A liberal court makes for a liberal nation. If you support a nominee who supports abortion, then you support abortion. It is that simple. Open borders should be a great concern and will bring disastrous consequences if allowed. You need a president who will support your God-given rights as outlined in the Constitution."

"If a person is dishonest in small ways, that same person cannot be trusted in greater ways. This is not character assassination. It is a fact. This is not the time in the hour of history for a leader to be full of self-interest, but to protect and guide in righteousness those he is leading."

"Some hold greater agendas in their hearts than the welfare of this nation. They secretly design their plans to coincide with a New World Order - the threshold of the reign of the Antichrist. The destruction of national pride is a telling sign of such an agenda. That is why the importance of national borders is being minimized."

"This is the hour when faith will be tested and retested. Stand firm in the Truth."

October 4, 2016

Mary, Refuge of Holy Love says:...."These days political campaigns have taken on the demeanor of calumnies and not real issues. Character assassination is not what you should base your support on. There are critical issues at hand which can be addressed with logic or mishandled as political opportunities. I speak, of course, of abortion, same-sex marriage, immigration and open borders, the failing economy and support of the constitution itself."

"How these and other issues will be handled depends upon the person you choose to elect. Your choice will affect not only this country but the future of the world. Pray that Holy Wisdom guides the heart of this nation."

Feast of Our Lady of the Most Holy Rosary - 3:00 P.M. Service

Our Lady comes....."In your hands, dear children, you hold the weapon that can expose evil and destroy Satan's evil plans. It is your rosary. With the power of your loving rosaries, Satan will not be able to complete his plans for the destruction of the world and he will be defeated. Much of what the dragon plans to destroy will be protected. You yourselves will find a path of light through the darkness, but you must pray."

"The reason so much of this Ministry* and the Messages** themselves are focused on the protection of life in the womb is that legal acceptance of abortion has replaced love of God and neighbor in hearts with love of self. Fulfillment of God's Commandments is no longer a concern. Mankind's free-will choices are the main priority. Protection of the right to lead sinful lives has permeated the highest court system."

"All of this has obscured the difference between good and evil in hearts. This is why the conscience of the world is so confused that it cannot distinguish honesty from dishonesty in leadership. This is why poor leadership is an alternative and is even considered in the election upcoming in this country."

"Grave concessions have been made to evil. Now it is more Satan leading this country than God. Dear children, we must courageously persevere in prayer. Prayer is the ballast holding this nation in some frail form of righteousness."

"Dear children, I have called you here today to encourage your devotion to the Rosary of the Unborn. You must believe in the difference your prayers are making in the world all around you. The rupture of the First Seal (Rev 6:1-2) does not make your prayers ineffective, but stronger."

"These days you have dangers all around you - terrorism and a great hurricane encroaching upon your borders. There are hidden dangers in hearts and many dishonest agendas in the minds of certain politicians. If you continue to pray your Rosary of the Unborn, perhaps Jesus will allow the fog of confusion to be lifted from the heart of the world so that all can see that abortion is the sin that catapults the world towards destruction."

"I come to you to make you stronger and more resolute in putting an end to abortion. Great and manifold graces would flood the world if you would listen. The future would be changed and you would be at peace. God's Will would rule hearts."

Our Lady comes....."You need a president who stands firm against ISIS - a very dangerous threat to your national security. The mere existence of Isis should erase any consideration of open borders. Do not be fooled into judging personalities. Judge policies."

October 13, 2016

Mary, Refuge of Holy Love says:....."Today, I am calling all of My Remnant Faithful to be strengthened in numbers and in resolve. Evil collusions are now forming the general opinions of the public. This is taking place without notice. I am calling you, My Remnant, to draw attention to the way mass media is invoking change in how Christianity is perceived and in the ways freedoms are slipping away."

"These things will be reinforced through your judicial system if you do not bring attention to it now. You must pay attention to who says what and who supports what. If you do not, your country will never be the same again."

"Open borders are an open invitation to evil. Those who oppose Christian ideals would flood your nation making law and order, as it is today, obsolete. A continuation of the amoral revolution would take over hearts and government. Many freedoms would become 'illegal'. This would be a method of control of the chaos caused by open borders." "Take heed now - before it is too late to act."

October 17, 2016

Mary, Refuge of Holy Love says:"There are many, many dangers which threaten the welfare of this nation. The greatest of these is the acceptance of abortion as a legal right. Because of this evil malignancy, the conscience of your nation has been confused and dulled as to the difference between good and evil. It is the same all over the world. Liberal agendas are asserting themselves with much arrogance and are trying to infiltrate the Supreme Court, border security and to promote open immigration, the economy suffers and they have an eye towards changing the Constitution."

"These reckless agendas are the open door to the Antichrist who is waiting in the wings. He already has many followers. Some are aware of whom they are following, others are not. My Son, when He walked amongst you, did everything openly - as He lived in the Truth. These days, however, you have many world leaders and many who enjoy the limelight who hold hidden agendas in their hearts. They

do not represent the Truth and some do not even admire the Truth. Therefore, be cautious as to whom you support. Do not accept everything at face value. If someone lies a little, he lies a lot in his heart."

Read 2 Thessalonians 2: 9-12

Synopsis: Prior to Our Lord's Second Coming, by the aid of Satan, the Antichrist will be revealed and will perform acts which men will falsely regard as miracles and by means of which they will be led to follow him who will be proclaimed as the Christ for they have not received the love of the Truth. They will thus adopt sinful practices and erroneous doctrines that will lead to their perdition.

October 21, 2016

Mary, Refuge of Holy Love says:....."These days, as this all-important election draws nearer, it is most important that consciences be well-formed and well-informed. A well-formed conscience believes in the Truth between good and evil. He clearly sees the difference in everyday choices and in decisions which support or do not support Holy Love. To be grounded in Holy Love, the conscience lives in the Truth making all his decisions fair and honest. Then, in regards to politics, he is not open to quandary."

"A well-informed conscience understands the length and breadth of the issues. Such a conscience clearly sees the consequences of such issues as open borders, a weakened or stronger military, support of the Constitution and all-important appointments to the Supreme Court. Every one of these issues greatly affects the future of this nation and of the world."

"This is why Jesus and I have been begging for your prayers for the heart of the world. Well-formed and well-informed consciences are at war with liberal consciences which accept every type of error."

"Continue to pray on behalf of the heart of the world. Pray that the conscience of the world returns to the embrace of Truth. Know that I am praying with you. "

October 25, 2016

Mary, Refuge of Holy Love says:....."This is how governments are overthrown - by illicit collusions, dishonesty, hidden agendas and disregard for freedoms and human rights. All of these things are taking place in your country as I speak to you. Most people do not recognize what is actually taking place. They regard this as just another election. However, your nation is progressively moving towards a dictatorship, as the people have less and less say in the way the government is being run."

"Legislators are using what appears to be good to accomplish evil. Once again I caution you, do not accept at face value - polls, election returns or promises of candidates. These are staged and designed to manipulate the hearts and minds of good people."

"You must realize that Satan does not want this country to be one nation under God. He is attacking your sovereignty and trying to dissolve your borders. His goal is chaos and disunity. Do not be so foolish as to think you should allow one and all into your country out of charity. In charity, demand that your government protects you."

"Realize that many excuses for dishonesty are dishonest in themselves. Your nation is fast approaching that point in time when those in power will no longer be held accountable. This is possible as a direct result of corruption in the legal and judiciary systems. Soon the future of your country will be only in the hands of a corrupt few, if you do not choose wisely in this election."

November 3, 2016

Mary, Refuge of Holy Love says:....."We cannot let the most qualified presidential candidate lose in this election. Coming to light, is the depth of corruption in your federal government. Playing into this is the corrupt mass media. I must tell you that the great breach of national security is not open borders - although that is a genuine threat. It is the confidential information made accessible to evil through Mrs. Clinton's emails."

"You must not place dishonesty, collusion and disregard for the citizens of this country in the highest position of this nation. Pay attention to your own welfare and the inheritance of democracy for future generations! Even now, the mainstream media has failed you and does not give you the Truth. You must depend upon outside sources, such as WikiLeaks, to uncover the Truth. It has never been so in this free nation before."

"Pray for significant hearts to open to the Truth and inform others as to Truth's reality."

November 10, 2016

Mary, Refuge of Holy Love says:"I would like us to continue to celebrate the victory of Mr. Trump's election to the White House. Many errors and weaknesses of policies will be reversed when he takes office. Your country will be more secure, as the borders will be reestablished. Evils will be overcome and this nation will be more financially secure. All of these things will be realized, as your leaders bring God's Sovereignty back into the picture."

"You can already feel the enthusiasm of greater security under God's Dominion just by contemplating the new regime. Your nation was faltering on the brink of being led into the New World Order. Now it is taking a deep breath and regaining its sense of freedom, democracy and well-being."

"I am taking a deep breath with you. Truth is victorious."

November 15, 2016

"I am your Jesus, born Incarnate." "The problems within this nation will be resolved under this new regime, but not without some division. With the passage of time, this president-elect will prove himself to be one who cannot be manipulated or coerced into alternatives from his resolve. Much will be accomplished. Your nation will be stronger and so too the world, as terrorism will be confronted vigorously."

"Do not believe - no matter who says this - that to be charitable you must generously give 'carte blanche' to all refugees. That is a reckless approach and uncharitable to the legal citizens of this country who deserve protection from terrorists seeking to slip in under the guise of seeking refuge. A 'safe haven' for refugees should be established in the Middle East and funded by all nations. This type of charity would succeed without the threat of weakened national security."

"Take pride in your borders once again. View immigration as a privilege - not a right on demand. It is not just the underprivileged who have rights, but each and every person from conception to natural death. When this new regime begins, a breath of fresh air will blow across this nation."

"None of this would have been possible without a concerted prayer effort."

December 17, 2016

"I am your Jesus, born Incarnate." "While the malcontents continue to challenge Mr. Trump's victory, real problems are arising due to your sitting president's inaction and lack of leadership. I am speaking of course of the collapse in the Middle East - mainly Aleppo. Many are suffering grave difficulties which could have been avoided with a little effort on the part of Mr. Obama. Now you need to unite in prayer for the survival of the victims."

"I do not suggest that you open the borders of your country and invite all the victims in. I do suggest some arrangement be made in close proximity to where the victims are that would be a safe haven. Where is the U.N. in this?"

"In Holy Love, we must not stand idly by and watch such suffering. Lack of action has resulted in the present situation. The blood is on the hands of those who could have helped but chose to lead from behind."

December 27, 2016

Mary, Refuge of Holy Love says:...."Please comprehend that the abuse of authority and the compromise of Truth which make My Son's Heart mournful are set in place by the abuse of free will. It is through the abuse of free will that man chooses to redefine God's Laws to suit his own purposes. **The liberals choose to take life from the womb, act out against law and order, and endanger the security of this country with open borders.**"

"My Son will not interfere with free-will decisions, but I tell you, many slip to their perdition due to their choices. It is of no account that these people think they are 'right' in their thinking. God has given them the Commandments and Holy Love to help them on the path of salvation. In the final judgment, it is Jesus' opinion which counts."

"The abuse of free will has taken place since the beginning of time. However, these days, liberalism has taken over more hearts than ever before due to modern forms of communications. This is why the situation is even more desperate than Sodom and Gomorrah."

February 12, 2017

"I am your Jesus, born Incarnate." "Today, I make known to you the needs of My Sacred Heart. **I desire the borders of your country become one with the confines of My Mother's Heart - Refuge of Holy Love.** It is in this way, this nation will be a true sanctuary of Christian ideals - upholding the Commandments. It is in this way, Christian opinions can be freely expressed and upheld."

"The movement to put Christianity down has been insidious - all the while taking its toll on what is acceptable and what is not. There is little accountability for anti-Christian opinions or actions, while every other group - religious or otherwise - enjoys unbounded freedoms and rights."

"Your nation is not free so long as any one group is successfully put down for the sake of another. Holy Love is the reflection of all respect for one another - not just some. The confines of My Mother's Heart reject no one. Herein lies your peace and security."

February 14, 2017

There will be even greater friction between Israel and its neighboring countries. President Trump will have to take a firm stand."

"In this country* you will see greater chasms between liberalism and conservatism. While the economy strengthens, the good of this administration will continue to be downplayed. Stricter policies against terrorism will be put into place. This will affect immigration."

"The Church is in the midst of its passion. I am counting on the Remnant to assist her in carrying her

cross, not unwillingly, but willingly. The Remnant must stand vigil at the foot of the cross together with the Holy Mother,**** who is the Matriarch of the Remnant Faithful. She mourns as She witnesses the many ways the true Faith is blasphemed - always in the guise of good."

"Be united, O Man of Earth, behind your President and in the Remnant Faithful. Your future depends on it."

Jesus Christ and Blessed Virgin Mary

.....First, I (Maureen) see the Image of the United Hearts. Then, it fades away and Jesus and Blessed Mother are here* with Their Hearts exposed.

Jesus says: "I am your Jesus, born Incarnate." Blessed Mother says: "Praise be to Jesus."

"Dear children, Jesus, Who is always the gentleman, allows Me to speak first today. The reason Heaven continues to contact earth here is there is a whole generation that needs to be reconciled with the Truth. Few there are who recognize that this earthly existence is granted each soul as a means of earning the soul's eternal reward. Much effort is spent on making a comfortable secure life in this world, but it is all temporary. The real purpose of human life is to know God and to love Him above all else. This is not even a goal in this modern generation."

"It is so necessary that Heaven continues to speak here in order to draw people back into the Truth of why they were created in the first place. We do not come to cure the symptoms of disordered self-love, but the disease. The symptoms are all around you. It is the blindness of the direction man is taking that is the disease."

Jesus says: "I am your Jesus, born Incarnate."

"My brothers and sisters, within the confines of Our United Hearts lie all the secrets of life. All of creation is under Our domain. While man searches out solutions, it is all here under the umbrella of My Father's Will. Therefore, it behooves man to come deeper into Our United Hearts – to be privy to the Divine solutions and realities of his everyday life."

"My Justice rests heavily upon all those who do not consider the Divine aspect of every problem and situation in life. Where will your heart be in your last breath? Will it be united in My Father's Divine Will?"

“The world holds no problem that Our Hearts are not aware of. There is no force of nature – no scandal – no disease – no evil that escapes Our view. We desire to guide the good around all evil designs that lie hidden in hearts. Choose to seek Our help.”

“Those who seek in nefarious ways to overthrow Christian ideals in this country** will face defeat. The upheavals of controversies will backfire. The search for the Truth will be victorious. Your country will, once again, be stabilized upon that which it was founded – trust in God.”

“Our Hearts are Omnipresent. Nothing is concealed in the recesses of hearts or in the heart of the world from Us. I tell you that many areas of discord around the world will take on new meaning. Some will be reconciled with the Truth. Others will continue to threaten world peace and to change the complexion of attempted peaceful overtures. World trade will have to be committed to prayer.”

“Look for peace where there has been no peace and strife where there has been no strife. Make the borders of your nation and of your hearts secure.”

“Please understand the economy of your country mirrors the stability of your government. There are outside, foreign entities eager to weaken the United States. One tactic being employed is to attack your President,*** thus causing confusion in the rank and file. A weakened government cripples the economy and the nation.”

“My brothers and sisters, you must return to prayer as a solution for the woes of the world. Our United Hearts remain more powerful than any agenda of Satan. We are All-Grace, All-Mercy and All-Love. Knowing what lies ahead in the future is not the solution to earth’s woes. Dependency on prayer is.”

“Make amends to Our United Hearts. We are so wounded by the errors in the hearts of man.”

“Today, I impart this promise to you – everywhere the Image of Our United Hearts is displayed and revered, I will bless. Today, We’re taking all petitions into Our Hearts. Some will be answered in unusual ways.”

“We’re blessing you with the Blessing of Our United Hearts.”

Solemnity of Blessed Virgin Mary, Mother of God

The Blessed Virgin Mary says: “Praise be to Jesus.”

“Dear children, the Lord permits that I should come to you, today, on the Feast of My Holy Motherhood. Today, marks the beginning not only of a New Year, but of a new decade. It will be a decade of tumultuous events – both nationally and internationally. God’s Holy and Divine Will will be manifested in many ways. The distance between liberalism and conservatism will increase and continue to divide good versus evil.”

“In this nation, * there will be new threats to national security. Good will be betrayed. Sinister plots will be revealed just in time, as the decade wears on. This nation, however, will not succumb to the evil of the One World Order and therefore, the control of the Antichrist. Change will bring about a conviction of consciences.”

“This is the decade when it is most important to discern correctly good from evil, as Satan’s instruments will rise to power clothed in goodness. Prayer, especially the prayer of the Holy Rosary, will guard you against error in your choices.”

“As always, I am your Motherly protection. I have enfolded in My Mantle this nation and will lead it away from the precipice of destruction. Stay close to Me, that I may guide you in every decision. Pray the rosary daily, as it is the weapon against every evil. I will bless your efforts of prayer with the power God has given Me.”
