### 1) **GENERAL**

**April 24, 1995**

**Blessed Virgin Mary**

.....I tell you that hearts who once heard My call to conversion, and paid heed, have become lukewarm. Some of these visited **many of My apparition sites**, read many books, and prayed many rosaries. Once again, I call you to see the present moment is your salvation, or your perdition according to your propensity towards Holy Love. Further, I come to tell you, My messenger, that this season in nature will reflect the Season of Tribulation you are now experiencing. Some crops will be watered down and others will be dried up. This reflects the faith that is in hearts. My Son grieves the disregard for the Eternal Father's Commandments. The Sabbath is profaned; Church law disregarded; Life is dehumanized; Values are convoluted. My call to holiness is scoffed and compromised. My Son desires hearts to be patterned in Holy Love. Souls who immerse themselves in the Flame of Holy Love, that is My Heart, will be protected against the adversary's evil designs through introspection as to their own state of holiness. I desire to create in the world a conflagration of this Flame through My words to you. You will make this known to all My little children. Praise be to Jesus. Alleluia."

**May 31, 1995**

**Blessed Virgin Mary**

.....The graces given at Maranatha on both properties are extraordinary and **comparable to My greatest shrines and sites of apparition**. Once the path lies unrestricted to My new property, you will begin to see the full extent of My call."...

**October 12, 1995**

**Our Lady of Guadalupe**

....."Dear children, through God's infinite love and mercy, He extends His grace of conversion **at each of My shrines and at each of My apparition sites**; and

through His mercy, which continues to pour into every heart until My Son's coming, He will convert millions. He will give each soul a sign of their state before God.”

.....Hearts will be judged according to the measure of Holy Love. It is a cubit unrelenting in righteousness.” “It is for this reason I am choosing to form the Missionary Servants of Holy Love, to propagate and live My message to you. Through My grace it will spread across the world as a purifying flame devouring evil. I invite you always to choose good over evil so that you will be ready when My Son returns. I love you.” .....

**February 29, 1996**  
**Our Lady of Guadalupe**

..... I come to you as the Woman Clothed in the Sun, the Woman of Revelations. Soon, very soon, all I have confided in secret, **to this seer and many other seers**, will be made known in the world and will take place just as I have predicted. These are serious times and require your serious efforts. Dear children I am blessing you.”

**July 2, 1996**  
**Blessed Virgin Mary**

.....“Today, I come to you inviting you to understand that each time I visit you **or any of My visionaries**, all of the cosmos is affected. Just as My visit to My cousin Elizabeth impacted all generations and the entire universe, so My coming to you profoundly affects every heart, every nation, the whole world, and the heavenly bodies as well. I invite you to see the reason of My telling you this. If hearts accept My message, the world will be converted. Natural laws will be suspended. Wars will cease. All error will be stricken from hearts and so from the world. God's Justice will be altered according to the response to My call.” “In a similar way, if My words are not taken seriously, if hearts do not change, I will no longer be able to suspend God's Justice. A great chastisement will come. All of earth and the entire cosmos will be affected and changed.”

**July 23, 2001**

Jesus says: .....“I have come to discuss with you profanity. When you profane something, it means you dishonor it, insult it, use it in a way unintended to be used. Today, more than the Name of God is profaned. My Real Presence in the Blessed Sacrament is profaned daily, hourly, by those who receive me unworthily in the state of mortal sin. A lesser profanity to My Real Presence is the people who ignore Me before and after Mass and summarily carry on conversations in front of Me. Human life – a gift from God – is profaned through abortion, birth control and scientific research. The virtue of modesty is profaned when people dress according to fashion with no regard for purity – some even come to church dressed immodestly. The Sabbath is profaned when you do not observe it as the Lord's Day – a day of worship and family activities. Shopping, unless absolutely necessary, should be put off until the other six days, housework as well. Places of business should be closed on the seventh day unless they have to do with health care. Use the Sabbath to grow closer as families.”

“My Mother's Heart grieves over the sins of profanity. She is pouring grace into the world that these sins will be recognized and overcome. **I am consoling Her by sending Her to certain sites in the world with special graces towards conversion.** This site\*, here, is a great sign to the world of Heaven's concern for the world today.” “Make this known.”

“The joy of the miracle of the Transfiguration took place so as to anchor the apostles in faith. **At My Mother's authentic apparition sites**, such as the one at Holy Love, miracles abound so as to support the message that is given. Those who are bold enough to doubt a bodily apparition must wonder, then, at the account of the Transfiguration where Moses and Elijah appeared on either side of Me. Have faith!”

**April 12, 2013**

Jesus.....“The heart of the world, which is the sum total of all hearts, has become cold and uncaring in the relationship it should have with God. The heart of the world stands far distant from the Truth on many salvific issues, preferring instead to support tolerance to error. Even Heaven's corrections **through visionaries**, such as yourself, have been unable to redirect consciences towards righteousness.”.....

**March 6, 2017**  
**Jesus Christ**

.....“The general situation is this: People do not know who to trust. Evil agendas are hidden in hearts. Danger has infiltrated every country, which is why **I have sent My Mother to appear in every nation.** My Mother bears a Message of peace and unity, but most people are focused on selfish gain and the fulfillment of errant ideals. The ones who will not accept correction are those who do not believe in or obey the Ten Commandments through living in Holy Love.”.....

**Mary, Refuge of Holy Love**

.....“My Son and I have intervened **in many parts of the world** over the last century. Sadly, all of our warnings have fallen on deaf ears. I note, in particular, Fatima\* and Rwanda.\*\* Here at these sites fair warning was given as to the direction mankind was headed and the consequences of the path he was following. It was in vain for lack of official approval. Jesus and I see the same thing happening here.\*\*\* Humanity is choosing a path of self-destruction and, for the most part, choosing to ignore Heaven's Warnings.”.....

**Our Lady of Lourdes**

.....“I am about to add to that bounty of graces. When souls come onto this prayer site\*, they will not only receive an illumination of conscience, but My Special Blessing, as well. This Blessing, in the past, has been given in rare occasions **here and at other apparition sites.** What makes it special is a special bond between the heart that receives it and My Own Immaculate Heart. For the soul to receive it, his heart must be open and receptive to the Messages\*\*and graces offered here. I do not offer this Blessing to those who come seeking proof of the reality of My presence here in the name of discernment. This is a new favor My Son permits due to the urgency of these times. Make it known.”

..... He says: “Children, make all your choices based upon love of God and love of neighbor – Holy Love. This attitude strengthens your soul and the heart of the world. This is the way to pull this generation back on the path of righteousness. This has been My Message all along and **at every one of the Holy Mother's\* apparition sites.** Although Holy Love was not labeled as such, the essence of all Her Messages was to live in Holy Love through a life of prayer and sacrifice. These days, people in general go about their daily lives as if they were never guided from Heaven.”

## 2) PERSECUTION

**December 9, 1998**  
**Mary, Refuge of Holy Love**

.....“My angel, today I come to you once again seeking reconciliation between all people, all nations, and God. As I have revealed to you, judging each other is the first step to unforgiveness. Now please understand, the last step in unforgiveness, that is the most unmerciful outward sign against another, is persecution. The unborn are persecuted in the womb for who they are and what they will become. Races and nationalities are persecuted in much the same way. The Church and other religions face an ongoing battle against persecutors. I, Myself, am

persecuted by those whom I love. Persecution is unloving, unforgiving, unaccepting, misunderstanding, and uncompassionate all taken together as one.”

“It should not surprise you, then, that **My missionaries and seers** are also considered fair game for Satan's persecution. Much evil is accomplished in the name of discernment. Discernment needs to be accomplished through prayer and openness to the truth. Some take pride in opposing the ones I use. This is persecution as well.”

“All wars and insurrections begin in judging, then unforgiveness, and finally, persecution.”

“See, then, what an unkind act unforgiveness is. See what it leads to. It leads to hate – opposite of Holy Love.” “Please search your hearts today, My children, for any area of unforgiveness, of judging, or persecution. I am blessing you.”

**May 22, 2003**  
**Jesus Christ**

.....“Confusion and compromise replace faith and morals. Those who stand for the Tradition of Faith—most especially **My visionaries**—are persecuted and disbelieved. The hour will come when clarity will replace confusion, and compromise will be identified by the merit of faith. Until such a time, pray to be enlightened and strengthened so that you may see clearly the path of righteousness. Do not follow the false path that comes clothed in title and goodness. Pray to see the Truth beneath all duplicity.” “I will bless your efforts.”

**August 19, 2013**  
**Blessed Virgin Mary**

.....“In the past, in other areas of the world, Heaven's intervention (by way of **apparitions and private revelations**) has been suppressed and even short circuited due to the abuse of authority. This has happened in many countries around the world. My **visionaries** have been defamed and rash judged. Investigations have been done which were cursory and in name only as a tool to discount Heaven's efforts.... ..

**November 4, 2013**  
**Jesus Christ**

.....“Often, these two weapons of Satan, the abuse of authority and the compromise of Truth are used in unison – one to protect the other. It is in this way Satan gains control over institutions, countries and individual agendas. Many good works have been set aside due to these two weapons of evil. Much which Heaven hoped to accomplish through **chosen instruments** has been discouraged – even disparaged.” \*

“This is why I come – to reveal the Truth. I can only do so by uncovering darkness.”

\* Valid visionaries and their messages for these times have been determined by abuse of hierarchal religious authority and compromise of Truth to have not been of supernatural origin.

### 3) CALL TO UNITY

**July 10, 1995**  
**Our Lady of Guadalupe**

“My daughter, it is not My intention that one of My ministries or **apparition sites** oppose another. They, each one, complements and confirms the other. It is Satan who tries to undo My plan of unity through spiritual pride. I come to reconcile and unite all people and to show you the way to Heaven. When My Son returns all will live as one. If you presume to have all the answers, you are being deceived. It is in humility I lead you. It is the adversary who tries to set one against the other. Many of My apparitions and messages go unheeded and uninvestigated due to misunderstandings and confusion brought on by Satan who comes clothed in righteousness. Instead of believing until an authentic and accurate investigation uncovers error, My children have fallen into the mistake of not believing until all is proven to their satisfaction. I come to bring peace, unity, joy. Recognize Me when I come. I want to bless you.” She leaves.

**August 12, 1996**  
**Blessed Virgin Mary**

.....“I desire very much that apostolates and **apparition sites** do not oppose one another but, in Holy Love, assist each other in propagating My messages to the world. I do not come to different sites to bring rivalry or friction but, everywhere and each time, to draw My children into My Immaculate Heart which is Holy Love. It is Satan who wants to divide and bring conflict to your midst. Then you are confused and do not see the oneness of My call to you. Dear, dear children, it is not for you to take pride in My coming to this site or any other. Each site that My Son sends Me to is continually and always a site of grace for all people. I never leave any of the sites I visit, but am always present there. Therefore, do not believe one apparition is greater than another or that more grace is attendant to one than another.”.....

**November 18, 1998**  
**Blessed Virgin Mary**

Everything I have told you has been said before by **other mystics, at other apparition sites**, and by Jesus, Himself. Yet, it was necessary that this little way of Holy Love be brought to light **once again**, in these times and during these last days. I have come to make you ready for My Son's Return in triumph and glory. I desire to share this triumph with you, which I can only accomplish if you surrender in the present moment to Holy Love. I have given to the world, through you, the devotion to the United Hearts – a devotion indicative of the Triumphant Reign of Our Hearts in the New Jerusalem.”.....

**April 21, 2001**

.....Blessed Mother says: “Praise be to Jesus. I welcome everyone here. It is good to see **my two visionaries** together once again, assisting one another in love.”...

**July 17, 2004**  
**St. Thomas Aquinas**

.....those who are orthodox in their beliefs choose disunity. This separatism is according to individual loyalties to certain devotions, mystics and **apparition sites**. All of these have the common goal of living in the Divine Will. If they would only recognize that the Divine Will of God is Holy Love, then all would be united and be a powerful force against evil. Even amongst smaller prayer groups there is disunity due to ambition and spiritual envy. The solution, once again, is Holy Love.”.....

**July 12, 2008**

.....Jesus.....“As I have told you before, good does not oppose good. So then, even though persecution, lies and slander may come from a seemingly good person or source, know that it still has its origin in evil. Sadly, Satan is the expert father of lies, and quite often convinces those who are **My instruments**, in other ways, to attack another good work of Mine through misinformation or misunderstandings. That is why no one should oppose any visionary or ministry unless thorough research is done, meaning, every side is given a chance to speak and to be unbiasedly considered.”

#### 4) DISCERNMENT

**August 12, 2011**  
**St. Teresa of Avila**

.....“Today I have come to comment on those that concern themselves so much for what the future holds. In doing so, they lose the present moment and many graces, as well. This is a sign of weak hope and little trust in God's Divine Provision.”

“Further, effort is often wasted in chasing after **different ‘visionaries’** and extrapolating their insight as to the future. Every future moment will be different for each soul, just as every present moment is different for each one. Fear is useless; what is needed is trust. The more you speculate, the less you will trust.”

“If you place your hope in God, you will not be misled. If you live according to the Holy Love Messages, your heart will be prepared, and that is your eternal survival.”

“This Mission is in the world during these times and in this location to build up faith, hope and love in the hearts of all. Therefore, be united and do not allow Satan his hour of division as to who to believe. You might be choosing error over truth.”

**October 9, 2011**  
**St. Catherine of Siena**

.....“I have come to tell you the reasons why disbelief of the Messages and the Mission itself exist in the world today. These are spiritual pride, spiritual envy and a failure to search out and to recognize the truth.”

“Spiritual pride is a smug attitude that believes only in himself – his inspirations. In short, the spiritually proud is self-righteous.”

“The spiritually envious are those who want to be as holy – as inspired and as believed in – as someone else. These are like **‘wannabe’ visionaries and mystics.**”

“Those who fail to search out and to recognize the truth are the ones given over to rash judgment (which is false discernment), compromise and sometimes even calumnies when they propagate error.”

**May 18, 2012**  
**St. Thomas Aquinas**

Part 1 – A.M.

.....“When I speak to you of discernment, such as I am today, I do not refer to random opinions about everyday affairs which do not assail reputation. I speak of the opinions expressed as expert conclusions, which are used to harm organizations, ministries, apparitions, visionaries, and Heaven's intended work, such as we have here.”

“This is where rash judgment and discernment must be more clearly defined. Rash judgment is not based upon the Truth. The lies of rash judgment are circulated unjustly. This could have, as its root, many causes. Perhaps the Truth was never sought out. Perhaps jealousy took hold or fear of loss of control. Sometimes rash judgment [which is one with false discernment] is expressed through the desire for self-importance. Yes, some do try to build up self-reputation by tearing down the reputation of others. This is never of God.”

“Hasty and superficial efforts should never be a part of deciding for or against messages, **apparitions** or any of Heaven's efforts in the world\*. Self-gain must never be part of the discernment process; nor should preconceived opinions or any negative motive come into play. Ulterior motives open the door to misinformation.”

“All discernment must be based upon Truth. The Soul of Truth is Holy Love. The Soul of Holy Love is Truth. No one can justify a judgment outside of this.”

\* Errant decisions regarding this apparition site have occurred previously on Messages that have been received since 1985.

Part 2 – P.M.

St. Thomas Aquinas says.....“I have returned. I have yet more to say about rash judgment – discernment. Please realize that many who tout their ‘powers’ of discernment have nothing more than a bad case of spiritual pride. They come across as having the only and final opinion on a certain **apparition**, message or ministry. They may see what they purport as an error in one message according to their

'expertise', and proclaim loudly – even worldwide – that none of the messages are true.”

“Every grace that is given by way of **apparitions**, messages and more requires a response from mankind. If, through spiritual pride, a soul chooses to disbelieve or worse yet, to oppose the graces offered, he is answerable to God. He is not only answerable for his own lack of positive response, but for the many prayers left unsaid due to his negative influence.”

“The overall bouquet of any heavenly apparition is all the graces put together, exuding the heavenly fragrance of a call to conversion.” **“Discernment of apparitions** needs to step out of the dark ages where every reported apparition provokes some negative response.”

**August 23, 2012**  
**Blessed Virgin Mary**

“When I appear – not only here, **but anywhere** – I speak to all the angels of the people present, **while I appear and speak to the visionary or visionaries**. I guide these angels as to the welfare of those in their charge.”

“It is up to each individual to open his heart to heavenly inspiration during or directly after each apparition. Be open to My Sovereignty.”

“At the same time, realize that during these present moments – during or directly after an **apparition** – Satan tries to mislead and interfere. This is the reason, My dear, dear children, you should pray for discernment before an **apparition** and after this grace-filled event.”

**March 28, 2014**  
**St. Thomas Aquinas**

.....“I have come to succinctly state the differences between a believer and non-believer in Holy Love. These have been stated in various ways in the past, but bear repeating.”

“The non-believer has erroneous opinion based on hearsay or some untruth and will not search out the Truth or accept it; while the believer accepts Heaven's intervention as the Truth.”

“The non-believer cannot accept Heaven's choice **of visionary or messenger** out of spiritual envy and places limitations on who or where Holy Spirit will work; while the believer makes total allowance for Heaven's right to choose whom It wishes without limitations.”

“The non-believer does not internalize Messages and is not open to self-knowledge; while the believer applies every Message to himself and constantly strives for perfection in holiness.”

“The non-believer looks for any negative reason to disbelieve and does not base negative opinions on fact; while the believer sees the good in every Message.”

“The non-believer is full of self-righteousness; while the believer humbly believes others to be more holy than himself and states his opinions – then prays they are accepted.”

“There are marked differences in the hearts of believers and non-believers. they are as far apart as pride is from humility. Pray the barrier of proud hearts is defeated.”

**May 24, 2014**

**Remonstrations to All Clergy from St. John Vianney, the Cure D’Ars**

.....“If you are given the grace of a heavenly **apparition** in your Diocese or given charge of reviewing such a spiritual phenomenon, you have the solemn obligation to regard this with an open heart. So many, so many have been suppressed and the graces attendant to them left unattended. These heavenly **apparitions** and messages too often are regarded as interference and competition by the local ordinary. Consequently, every visible and invisible step is taken to discredit the visions and the visionary.”

“If an ‘investigation’ is done, it is very often not done with the honest motive of discovering the Truth, but rather with the hidden motive of going through the motions of investigating in order to claim Heaven's grace as unauthentic.”

“Further, to say there is nothing supernatural going on is never true anywhere. The Holy Spirit and Satan do battle in every present moment, everywhere, in each soul, to gain a dominance.”

“Heaven acts as it will. No one can dictate when or where Heaven will speak or for how long. Perhaps this is the point most difficult for hierarchy to accept. In fact, I know it is. You do not have control over what Heaven will say or do. You do not trust Heaven to strengthen you and the laity. You try to limit the Holy Spirit.”.....

**June 6, 2014**

**Blessed Virgin Mary**

“What grieves Me to a great degree is the number of people who, given a mission from Heaven of their own, make it their business to oppose other missions from Heaven. Some even make a vocation of opposing certain **apparition** sites. If Satan can convolute good to oppose good, think of the mask of deceit he uses to present evil as good and trustworthy.”

“Beyond this, consider how false discernment and rash judgment factor into Satan's lies. Dear children, you must guard against self-righteousness, which leads to being satisfied with your erroneous opinions and thus closing your heart to discovery of the Truth. These days, opinions have become their own god and too often are not based upon God's Will, but disordered free will.”

“You do much damage when you speak in error against Heaven's interventions. God will not bless your efforts. But, good fruits abound wherever Heaven's work is at

hand, both in longevity and conversions. Be careful jealousy and spiritual pride do not take over your heart.”

Read James 3:7-10

**November 26, 2014**

**Blessed Virgin Mary**

.....“You must remember that God does not choose the most beautiful or most accessible **sites** for Heavenly Visitations; nor does He choose the most likely **visionaries** – but, often the least likely. Regardless, both the sites He chooses and the **visionaries** themselves become His vessels of grace. Your disbelief does not change God's choices. Your disbelief only distances you from grace.”

“If you are open to the Holy Spirit – the Spirit of Truth – you will readily recognize the graces being offered **at each apparition site**. Every Heavenly intervention is meant to change hearts and bring souls closer to God. If you allow your pride to interfere through false discernment, you will never feel in your hearts what Heaven is offering. Do not set your hearts on disbelief – but believe.”

Read Hebrews 2:4 and 3:7-8,12 .....

**March 28, 2015**

**Mary, Refuge of Holy Love**

.....“Dear children, Jesus and I have been trying to make a point about the compromise of Truth, especially in regard to this apparition site.\* The point is this: sometimes it is the grass roots, common sense approach to discovering the Truth that succeeds rather than depending upon the pomp of official opinions – opinions of those not interested in the Truth.”

“Jesus does not come here and He does not send Me here for His benefit, but for the conversion of souls. He is gravely concerned for the heart of the world, as each of you should be. He is not looking to spirit souls away from the faith, but to awaken the Holy Spirit in each heart. Those who oppose His efforts, therefore, grieve the Holy Spirit.”

“I speak to you, bluntly, today to help you realize the gravity of opposing Heaven's intervention here and at other **apparition sites**. This is just one reason why My Son's Heart has turned Mournful. The compromise of Truth is sending souls to their perdition.”.....

**Mary, Refuge of Holy Love**

.....“So much has been said and done to diminish My efforts here at this site.\* Satan tries to suffocate the Truth with compromise, but Jesus grants that the

Mission, the miracles and the Messages\*\* will not succumb to the error that is in hearts as has happened and is happening in many **apparition sites** around the world.”

“Pay attention, dear children, as to who opposes what! These days, do not squander your trust on every one of importance and stature! Even the most qualified, most esteemed person, can make mistakes. If a person exhausts much energy in opposing a prayer effort or messages which lead to unity and salvation, certainly his inspiration is not from Heaven. Even the most well-intentioned leader can become an instrument of evil if his priorities are full of self-interest.”

“Be wise and prudent as to your affiliations.”

## 5) UNIQUENESS OF HOLY LOVE MINISTRIES

### June 15, 1995 Our Lady of Grace

.....today I ask once again, that My children consent to Holy Love, which is My call to them. This is a universal call and **does not differ from one of My apparition sites to another**. It is the heart of My message to the world and My final invitation. Jesus calls souls into the Flame of My Heart to be purified and perfected in holiness. **He asks that once a soul surrenders to this Flame of Love that they no longer seek external graces here, there and everywhere**. My Son desires that souls find the kingdom of God within their own hearts and pray for the interior grace they need to become more holy. All will be given that is needed for each soul to reach perfection. See then, these exterior graces are only My continued invitation to Holy Love. But Holy Love is living in your hearts, and seeking your perfection in holiness. I give you this example: A soul comes to My Son in adoration and receives many consolations during adoration. Instead of returning there often, he looks for another Chapel of adoration hoping to find even more grace. Such a soul could easily lose his way because he does not look within himself but looks outside himself seeking perfection, seeking more exterior grace. I desire salvation for each one of My children. I ask they seek not so much further signs and wonders, but to look at the heart of My message everywhere, there they will find the fullness of their search – Holy Love. Make it known.”

**February 20, 1998**  
**Feast of Our Lady of Tears**  
**Blessed Virgin Mary**

Our Lady comes in a blue light. She says: "Praise be Jesus. My angel, sweet angel, how good it is you are here. Today, I invite you to realize that the choice you have made will be perfected in God's Will. There were many alternatives – each one obstructed due to lack of Holy Love in hearts. This should help you to understand the spiritual void within these times."

"Today, I invite you to see that the guests are being seated around the banquet table. Understand, I refer to the banquet of the New Jerusalem. Also, I am about to ask My Son to multiply the loaves and fishes – these being the graces at My prayer site. Those who accept My invitation will find there is no end to My generosity."

"When you joined Me at another of My apparition sites far away, you found it difficult to return – difficult to tear yourself away. Such will it be here, for those who respond to Me."

"This site is the threshold of the New Jerusalem." "I am blessing you."

**May 3, 2001**  
**Jesus Christ**

..... My messenger, do you see the little bee gathering pollen from the flowering tree outside? The bee is like many and all of the pilgrims who come to the prayer site. They gather what information and graces they can from the Mission."

"Like the bee who returns to the hive to make honey, the pilgrims return home, hopefully to allow the Message to bear fruit in their lives. The bee does not have to fly to any other source for pollen. That tree has enough blossoms to satisfy him over and over. So too, **the pilgrim can find everything he needs at this apparition site.**"

"Grace abounds here. **The Message is the only message he need hear, because it envelops every message.** At the property or through the use of the water at the many sources there present, the pilgrim will receive the illumination of conscience. He may be physically healed or receive the grace to carry his cross."

"Just as our little bee is completely satisfied with his source of pollen, the pilgrim who comes to Maranatha will be satisfied in his needs. I have withheld nothing from those who come. I offer them the innermost Chambers of My Heart." "Make this known."

**October 10, 2005**  
**Jesus Christ**

....."We come to you tonight on the wings of truth. As I speak to you, I will clarify the truth. Satan has tried to gain entrance to this Mission through hearts, most especially through the heart of My messenger, but he has been unsuccessful in his attempts."

“Now he is attempting to dilute the Message through **false prophets** and through statements by those in high places. But I tell you, he will not succeed here either, because this Mission has its roots in Heaven. There is only one messenger, and there is only the Message that is relayed through her. **All others are false**, and their sole aim is to dilute the truth and to throw you off guard.”

**“We are not connected here with any other visionary—any other city. And I am not raising up other messengers to support this one, though she (Maureen) might like it.”**

“So, digest these words and let them become a part of your heart and your understanding.”      “We're blessing you with the Blessing of Our United Hearts.”

**June 15, 2008**  
**St. Catherine of Siena**

.....“Today, all over the world, little pockets of the Remnant Faithful are forming, but **only from this particular Site are they being called into the Chambers of the United Hearts**. There are others who claim such messages, they are false. Further, at this Site, the Rosary of the Unborn is strengthening the Remnant in their resolve to put an end to the crime of abortion.”

“For these reasons and more, Jesus is asking for the formation of home rosary groups. These groups would be devoted to the Messages and the spirituality that emanates from them, as well as recitation of the Rosary of the Unborn. Heaven is not raising up ‘new visionaries’ or ‘messengers’ in these groups, but encourages that all that has been said here be lived out from the heart. **Enough has been given here that challenges each soul to perfection. It is a trap of Satan to look for more or to claim to be chosen.**”

“Your prayers and your commitment is what Jesus sends me to ask for. He awaits your response.”

“This is the format for the Holy Love prayer groups that Heaven is requesting:”

1. “Pray the Rosary of the Unborn.”
2. “Read, study and propagate messages.”
3. “Commit to follow the spiritual journey of the Chambers of the United Hearts.”

**“Once again, Heaven does not want the new prayer groups to be a format for ‘new messages’, ‘new messengers’ or ‘new visionaries’.**

“If you follow these simple guidelines, you will succeed and you will be at peace.”

**Blessed Virgin Mary**

.....“Once again, I come to reproach all unbelievers and all who oppose these Messages and apparitions. You have been given the grace to believe. It is through

your own pride you have rejected what Heaven is offering here. It is through your own pride and the inspiration of evil, that you have acted in opposition to the graces given here.”

“God holds each one who is introduced to these Messages and apparitions accountable. It is the Father's Holy and Divine Will that all accept these apparitions and Messages.”

“Do not, in self-righteousness, falsely judge, reject or even worse, oppose God's Will for you.” “Woe to those who listen, but do not heed.”

**Mary, Refuge of Holy Love**

“Dear children, please treasure the journey you are given through these Messages.\* **It is the missing link** to all other Messages given to other visionaries. While many others deal with living in the Divine Will, the Journey through the Chambers of Our United Hearts gives you the way into the Divine Will. You cannot reach any destination without first making the journey.”

“This is not a sophisticated journey, but one that takes simplicity of heart and inner acknowledgment of one's shortcomings. Never presume you are in any Chamber, but keep making the journey.”
